

# MARY'S REFUGE

Our resident mothers are provided with a home for herself, her child and additional children. With rent, utilities and day to day necessities out of the way, she is encouraged to focus on long term plans for independence, job security and eventually financial independence. With these goals in mind, she can spend the extent of her stay at Mary's Refuge creating a future for herself and her children.

We have been continuing to update the house with new wrapping around our windows, a/c units are getting stored and cleaned for the winter and we are thankful to our maintenance team who installed a new ramp and carpet for our strollers.

## From the Desk of the Executive Director:

We are delighted to share the latest news and developments from Mary's Refuge.

As cooler weather approaches, we are so thankful to continue to house mothers and their children with a safe, loving and warm place they can call home. Mary's Refuge is now housing ten mothers and fourteen children with one on the way very soon. Your support and generosity have been invaluable and you can feel God's love shining through this community.

# IN THE *Community*

Our Heart of the Home community events kicked off in October with a fantastic pumpkin carving contest!

It was a fun-filled evening where everyone got to show off their creativity, and we had some amazing designs. Congratulations to our winners, Mariah and Lili, for their impressive carvings!
